IMPORTANT SAFETY INSTRUCTIONS

PLEASE READ PRIOR TO INSTALLATION

This user manual contains important safety regulations. Any non-conforming use may result in personal injury or mechanical damage. Please read this user manual carefully before use as it provides key information about safety, use, assembly and maintenance of the Secretlab L-Shaped Desk Extension.

Ensure that you have received all parts according to the part checklist prior to installation. If any parts are missing or faulty, contact the Secretlab support team for replacements. The Secretlab L-Shaped Desk Extension is to be assembled by at least two people. This product contains small items that could be a choking hazard if swallowed. Keep these items away from children and pets. Do not overtighten the screws during installation.

Do not exceed the maximum load capacity of the extension table top (100kg). Do not wobble the desk extension forcefully on purpose. The Secretlab L-Shaped Desk Extension is designed for indoor use only. Using the product outdoors could lead to product failure and personal injury. Place the desk extension away from corrosive gas, water and dusty environment. Alteration or modding of any factory components outlined in the part checklist will automatically void your warranty.

USE AND LIABILITY

The Secretlab L-Shaped Desk Extension is designed for indoor use and dry work areas only. Under no circumstances does the manufacturer accept warranty claims or liability claims for damages caused from improper use or handling of the extension desk. For warranty terms and service or any other queries, scan the QR code or visit our website secretlab.co/support.

USAGE AND SAFETY INSTRUCTIONS
