

## USAGE INSTRUCTIONS

---

Align the edge of the Secretlab Magnetic Headphone Hanger with the edge of the Secretlab MAGNUS Metal Desk as shown above. The headphone hanger should snap securely into place. You can attach it to either the front or sides of your desk. To avoid accidentally unseating your headphones, please refrain from leaning on the hanger.

**Maximum load capacity: 0.8 kg (1.7 lbs)**

### WARNING

#### STRONG MAGNET:

- Keep away from devices and products that can be damaged by strong magnetic fields (e.g., magnetic media such as computer disks, credit cards and tapes).
- Maintain a safe distance of 15 cm/ 6 inches from pacemakers and other implants. Please consult your medical practitioner or pacemaker manufacturer for more detailed information.
- Neodymium magnets are brittle. Avoid subjecting them to hard impacts to prevent breakage. If broken, dispose of pieces with care as they may be sharp.
- Exercise care when attaching the headphone hanger to your desk surface to avoid being pinched.
